Independent Auditor's Report

To the Board of Trustees
Israel Senior Citizens HDFC

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Israel Senior Citizens HDFC, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets (deficit) and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Israel Senior Citizens HDFC as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Israel Senior Citizens HDFC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Israel Senior Citizens HDFC's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Israel Senior Citizens HDFC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Israel Senior Citizens HDFC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The HUD-required financial data templates, as required by the Uniform Financial Reporting Standards issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General are presented for purposes of additional analysis and are not a required part of the financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the HUD-required financial data templates and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated November 22, 2024, on our consideration of Israel Senior Citizens HDFC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Israel Senior Citizens HDFC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Israel Senior Citizens HDFC's internal control over financial reporting and compliance.

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

Note 1 - Organization

Israel Senior Citizens HDFC (the "Company") was organized in 1964 as a nonstock, nonprofit Company for the purpose of developing and operating housing and auxiliary facilities for aged persons of low-income. Such projects are regulated by the U.S. Department of Housing and Urban Development ("HUD") as to rent charges and operating methods. The Project consists of 512 units located in Far Rockaway, Queens, New York and is currently operating under the name Israel Senior Citizens Housing (the "Project"). The Company receives a significant portion of its revenue from government subsidy payments.

The Company is wholly controlled by the JASA Corporation, its sole member. JASA Corporation also wholly controls the Jewish Association Serving the Aging ("JASA"), JASA Housing Management Services for the Aged, Inc. ("JHM") and other housing companies, in its capacity as their sole member. The Company is related to JASA, JHM and the other housing companies by virtue of this control.

Cash distributions are limited by agreements between the Company and HUD to the extent of surplus cash as defined by HUD.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

The Company presents its financial statements in accordance with the accounting guidance for nonprofit entities. Under this guidance, the Company is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Furthermore, information is required to segregate program service expenses from management and general expenses.

The Company conforms to accounting guidance on revenue recognition for nonprofit entities. Under this guidance, contributions received, if any, are recorded as support without or with donor restrictions depending on the existence and/or nature of any donor restrictions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable and allowance for doubtful accounts

Tenant receivables are reported net of an allowance for doubtful accounts. Management's estimate of the allowance is based on historical collection experience and a review of the current status of tenant accounts receivable. It is reasonably possible that management's estimate of the allowance will change. As of June 30, 2024, the balance of the allowance for doubtful accounts was \$172,526.

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

Rental property

Rental property is carried at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives by use of the straight-line method. It is the Company's policy to capitalize items of \$5,000 or greater and items purchased with replacement reserves that have a useful life that is greater than one year.

Impairment of long-lived assets

The Company reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the year ended June 30, 2024.

Deferred financing costs and amortization

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the mortgage loan payable to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

Income taxes

The Company has applied for and received a determination letter from the Internal Revenue Service ("IRS") to be treated as a tax-exempt entity pursuant to Section 501(c)(3) of the Internal Revenue Code and did not have any unrelated business income for the year ended June 30, 2024. Due to its tax-exempt status, the Company is not subject to income taxes. The Company is required to file and does file tax returns with the IRS and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure. Income tax returns filed by the Company are subject to examination by the IRS for a period of three years. While no income tax returns are currently being examined by the IRS, tax years since 2020 remain open.

Rental income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Company and the tenants of the property are operating leases.

Grant income

The Company was awarded a cost reimbursed grant from HUD (see Note 8). Revenue is recognized as costs are incurred.

Advertising costs

The Company's policy is to expense advertising costs when incurred.

Functional expenses

The costs of providing programs and other activities are summarized on a functional basis in Note 12. Accordingly, certain costs are allocated among program services and supporting services benefitted.

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

Note 3 - Liquidity and availability

The Company has \$5,847,648 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of \$5,643,169 and accounts receivable, net of allowances, of \$204,479. Only amounts related to cash restricted construction for construction activity, restricted deposits and funded reserves anticipated to be used more than one year after the statement of financial position date have been excluded from the above amounts.

As regulated by HUD, financial assets of the Company are intended to be sufficient to meet its general expenditures, liabilities and other obligations as they become due. Project operations are designed to break-even and not result in either surplus cash or a deficit in surplus cash.

Note 4 - Mortgage payable

On November 24, 2020, the Company refinanced its original mortgage in the original amount of \$74,500,000 under Section 207, pursuant to Section 223(f) of the National Housing Act. The mortgage note is collateralized by the mortgage on the rental property. The note bears interest at the rate of 2.25% per annum. Principal and interest are payable by the Company in monthly installments of \$256,456 through maturity on December 1, 2055. As of June 30, 2024, the outstanding principal and accrued interest was \$69,402,404 and \$130,140, respectively.

For the year ended June 30, 2024, interest expense of \$1,588,503, inclusive of \$11,437 of amortization of debt issuance costs, was incurred and charged to operations.

Debt issuance costs, net of accumulated amortization, totaled \$350,409, as of June 30, 2024 and are related to the mortgage. Debt issuance costs on the above note are being amortized using an imputed interest rate of 2.85%.

The Company entered into a regulatory agreement with the Secretary of HUD which prohibits, among other matters: (i) reimbursement of equity or capital contributions without prior written approval; (ii) the sale, assignment, disposal, or alteration of the real and personal property covered by the mortgage; and (iii) the Company's engaging in other business activities or incurring any liabilities not connected with the operation and rental of the building without prior written consent from HUD.

Under agreements with the mortgage lender and HUD, the Company is required to make monthly escrow deposits for taxes, insurance and replacement of project assets, and is subject to restrictions as to operating policies, rental charges, operating expenditures and distributions. The Company is also required by HUD to use the funds saved by a reduction in the debt service cost for programs and building improvements for the benefit of the tenants.

The liability of the Company under the mortgage note is limited to the underlying value of the real estate collateral plus other amounts deposited with the lender.

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

Aggregate annual maturities of the mortgage payable over each of the next five years and thereafter are as follows:

	June 30, 2025	\$	1,531,652
	2026		1,566,472
	2027		1,602,083
	2028		1,638,504
	2029		1,675,753
	Thereafter		<u>61,387,940</u>
	Total balance due		69,402,404
	Less current		(1,531,652)
	Less unamortized debt issuance costs		<u>(350,409)</u>
	Net balance	\$	<u><u>67,520,343</u></u>

Note 5 - Restricted deposits and funded reserves

Replacement reserve

The Company is required by HUD to fund a replacement reserve to be used for the replacement of property and equipment. The use of the funds requires prior approval from HUD. Monthly deposits in the amount of \$12,800 are required. As of June 30, 2024, the balance in the replacement reserve was \$3,750,736.

Repair reserve

The first mortgage lender requires the Company to establish a repair reserve account for the purpose of making repairs to the Project. The repair reserve is held in an account subject to the control of the lender. After such repairs have been satisfied, any remaining deposit will be deposited into the replacement reserve by the lender. As of June 30, 2024, the balance of the repair reserve was \$386,448.

Escrow deposits

In accordance with the mortgage agreement, the Company is required to make monthly deposits to an insurance escrow and a mortgage insurance premium escrow. As of June 30, 2024, the balance in the escrows totaled \$1,432,733.

Note 6 - Statement of cash flows

The following table provides a reconciliation of cash and restricted cash reported within the statement of financial position that sum to the total of the same such amounts in the statement of cash flows:

Cash	\$	5,689,300
Tenant deposits		<u>171,845</u>
Total cash and restricted cash shown in the statement of cash flows	\$	<u><u>5,861,145</u></u>

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

The amount included in restricted cash consists of security deposits held in trust for the future benefit of tenants upon moving out of the property as required by regulatory authority.

Note 7 - Related party transactions

JASA

The Company is a participant in a general insurance plan with JASA, which also includes health insurance and workers' compensation. Property and liability insurance expense for the year ended June 30, 2024 is \$821,858. Workers' compensation and health insurance and other employee benefits for the year ended June 30, 2024 is \$583,943. As of June 30, 2024, \$62,705 remains payable to JASA and is included in miscellaneous current liabilities on the statement of financial position.

The Company is a participant in a multiemployer, defined benefit retirement plan sponsored by the UJA-Federation. The actuarial present value of the benefit obligation and fair value of plan assets are not available separately for each employer who participates in the plan. For the year ended June 30, 2024, the Company did not make any direct contributions into the plan on behalf of its employees; contributions to the plan were made by JASA. For the year ended June 30, 2024, the Company reimbursed JASA \$46,165 for pension costs.

The Company pays JASA, through a HUD grant, for the Service Coordinator Program, which provides social services for the tenants. The program expenses for the year ended June 30, 2024 were \$108,517.

JHM

The property is managed by an affiliate of the Company, JHM, pursuant to a management agreement approved by HUD. The management agreement provides for a fee of 5.25% of residential income collected monthly. Management fees incurred for the year ended June 30, 2024 are \$635,676, of which \$85,774 remains payable as of June 30, 2024.

The property pays a HUD-approved monthly fee to JHM for accounting and bookkeeping services. Fees earned for the year ended June 30, 2024 totaled \$128,376 and are included in administrative expenses on the statement of activities and changes in net assets (deficit).

Note 8 - Grant revenue

The Company was awarded a service coordinator grant from HUD to use toward payment of the service coordinator's salary, benefits, and other administrative costs. The Company reimburses JASA with the grant. The Company received and recognized grant revenue of \$102,414 for the year ended June 30, 2024. Grant expense for the year ended June 30, 2024 was \$108,517. As of June 30, 2024, \$55,718 remains receivable and is included in accounts receivable - HUD on the accompanying statement of financial position.

Note 9 - Housing assistance payment contract agreement

HUD has contracted with the Company pursuant to Section 8 of the Housing Act of 1937 to make housing assistance payments to the Company on behalf of qualified tenants. The agreements expire November 30, 2040. For the year ended June 30, 2024, rental assistance payments of \$10,017,745 were earned under the terms of the agreement and are included in rental revenue on the statement of activities and changes in net assets (deficit).

Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

The Company also participates in housing choice voucher programs, through which individual tenant vouchers are accepted. Total revenue earned from these vouchers during the year ended June 30, 2024 was \$7,443 and is included in rental revenue on the statement of activities and changes in net assets (deficit).

Note 10 - Concentration of credit risk

The Company maintains its cash balances in several accounts in one bank. The cash balances are insured by the Federal Deposit Insurance Company up to \$250,000. At times, these balances may exceed the federal insurance limits; however, the Company has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances at June 30, 2024.

Note 11 - Current vulnerability due to certain concentrations

The Company's principal asset is a 512-unit apartment facility. The Company's operations are concentrated in the multifamily real estate market. In addition, the Company operates in a heavily regulated environment. The operations of the Company are subject to the administrative directives, rules and regulations of federal agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Note 12 - Expenses by nature and function

The table below presents expenses by both their nature and function during the year ended June 30, 2024:

	Total program services expense	Total supporting services expense (management and general)	Total
Administrative expenses	\$ 745,341	\$ 792,672	\$ 1,538,013
Utilities expense	1,014,327	-	1,014,327
Operating and maintenance expenses	1,521,029	-	1,521,029
Taxes and insurance	1,561,082	-	1,561,082
Financial expenses	1,764,034	-	1,764,034
care/other elderly care expenses	109,024	-	109,024
Depreciation	1,282,985	-	1,282,985
Corporate or mortgagor entity expenses, net	-	25,028,912	25,028,912
Total	\$ 7,997,822	\$ 25,821,584	\$ 33,819,406

All expenses are directly attributable to a specific function.

HUD Project No.: 012-SH015 and 012-SH018

Notes to Financial Statements
June 30, 2024

Note 13 - Contingency

Pursuant to the Company's contractual relationships with certain governmental funding sources, outside governmental agencies have the right to examine the books and records of the Company with regard to transactions relating to these contracts. The accompanying financial statements contain no provision for possible disallowances resulting from such reviews. Although such possible disallowances could be substantial, in the opinion of management, actual disallowances resulting from such reviews, if any, would be immaterial.

Note 14 - Real estate tax exemption

The Company has executed documentation necessary to obtain a real estate tax exemption under Section 577 of the Private Housing Finance Law. As of June 30, 2024, the exemption was approved and expires on November 24, 2060, unless otherwise terminated in accordance with the agreement.

Note 15 - Construction contracts

The Company has entered into multiple construction contracts with unrelated parties to complete rehabilitation of the Project in the total amount, inclusive of change orders, of \$14,542,481. As of June 30, 2024, \$14,542,481 has been incurred and is included in rental property in the accompanying statement of financial position. As of June 30, 2024, \$430,111 remains payable and is included in accounts payable - construction/development on the accompanying statement of financial position.

Note 16 - Mortgagor entity expenses

Mortgagor entity expenses included in the statement of activities and changes in net assets (deficit) do not represent operating expenses of the Project and, accordingly, cannot be paid and are not paid out of Project operations. Rather, they are entity expenses, which can only be paid out of surplus cash or mortgagor entity funds. Such expenses have been segregated from project operations in the statement of activities and changes in net assets (deficit) for that reason. Unpaid mortgagor entity expenses included in the statement of activities and changes in net assets (deficit) represent accruals only and are recorded only where required under accounting principles generally accepted in the United States of America. These accruals result only in increased liabilities in the statement of financial position. The liability that results from any accrual is also subject to surplus cash restrictions and is payable only to the extent of surplus cash or mortgagor entity funds. The statement of cash flows reflects those mortgagor entity expenses actually paid during the period.

Below is a summary of mortgagor entity expenses expensed and paid:

Description	Beginning liability	Expensed amount	Paid amount	Ending liability
Distribution expense paid to JASA	\$ -	\$ 25,028,912	\$ (25,028,912)	\$ -
	<u>\$ -</u>	<u>\$ 25,028,912</u>	<u>\$ (25,028,912)</u>	<u>\$ -</u>

**Notes to Financial Statements
June 30, 2024**

Note 17 - Subsequent events

Events that occur after the statement of financial position date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of financial position date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of financial position date require disclosure in the accompanying notes. Management evaluated the activity of the Company through November 22, 2024 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

HUD Project No.: 012-SH015 and 012-SH018**

**Notes to Schedule of Expenditures of Federal Awards
June 30, 2024**

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards ("Schedule") includes the federal award activity of Israel Senior Citizens HDFC, HUD Project No.: 012-SH015 and 012-SH018, under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Israel Senior Citizens HDFC, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Israel Senior Citizens HDFC. For the year ended June 30, 2024, no awards were passed through to subrecipients.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - Indirect cost rate

Israel Senior Citizens HDFC has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

Note 4 - U.S. Department of Housing and Urban Development loan program

Israel Senior Citizens HDFC has received a U.S. Department of Housing and Urban Development insurance loan under Section 207 of the National Housing Act. The loan balance outstanding at the beginning of the year is included in the federal expenditures presented in the Schedule. Israel Senior Citizens HDFC received no additional loans during the year. The balance of the loan outstanding at June 30, 2024 consists of:

<u>Assistance Listing Number</u>	<u>Program Name</u>	<u>Outstanding Balance June 30, 2024</u>
14.155	Mortgage Insurance For Purchase or Refinancing of Existing Multifamily Rental Housing: Sections 207/223(f)	\$ 69,402,404

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees
Israel Senior Citizens HDFC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Israel Senior Citizens HDFC, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets (deficit), and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 22, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Israel Senior Citizens HDFC's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Israel Senior Citizens HDFC's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Israel Senior Citizens HDFC's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section not designed to identify all deficiencies in internal control over financial reporting that might be a material weakness or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Israel Senior Citizens HDFC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program
and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Trustees
Israel Senior Citizens HDFC

Report on Compliance for each Major Federal Program

Opinion on Each Major HUD Program

We have audited Israel Senior Citizens HDFC's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Israel Senior Citizens HDFC's major federal programs for the year ended June 30, 2024. Israel Senior Citizens HDFC's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Israel Senior Citizens HDFC complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Israel Senior Citizens HDFC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Israel Senior Citizens HDFC's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, regulations, rules, and provisions of contracts or and grant agreements applicable to Israel Senior Citizens HDFC's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Israel Senior Citizens HDFC's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Israel Senior Citizens HDFC's compliance with the requirements of each Major HUD program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Israel Senior Citizens HDFC's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Israel Senior Citizens HDFC's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of Israel Senior Citizens HDFC's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matter

We noted certain matters that we are required to report to the management of Israel Senior Citizens HDFC in a separate written communication. These matters are described in our management letter dated November 22, 2024.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of the entity's internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018**

**Schedule of Findings and Questioned Costs
June 30, 2024**

A. Summary of Auditor's Results

Financial Statements

Type of report the auditor issued on whether the financial statements audited were prepared in accordance with generally accepted accounting principles: Unmodified

Internal control over financial reporting:

- Material weakness(es) identified? Yes x No
- Significant deficiency(ies) identified? Yes X None reported

Noncompliance material to financial statements noted? Yes X No

Federal Awards

Internal control over major federal programs:

- Material weakness(es) identified? Yes X No
- Significant deficiency(ies) identified? Yes x None reported

Type of auditor's report issued on compliance for major federal programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2 CFR Section 200.516(a)? Yes x No

Identification of major federal programs:

<u>Assistance Listing Number(s)</u>	<u>Name of Federal Program or Cluster</u>
14.155	Mortgage Insurance For Purchase or Refinancing of Existing Multifamily Rental Housing: Sections 207/223(f)
14.856	Lower Income Housing Assistance Program - Section 8 Moderate Rehabilitation

Dollar threshold used to distinguish between Type A and Type B programs: \$750,000

Auditee qualified as low-risk auditee Yes X No

Management's Response**

**Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018**

**Summary Schedule of Prior Audit Findings
June 30, 2024**

Finding No. 2023-1; Sections 207/223(f), Assistance Listing 14.155 & Section 8, Assistance Listing 14.856

Condition

The accounting records required numerous material adjustments to be proposed and recorded in order for the financial statements to be fairly presented in accordance with generally accepted accounting principles in the United States of America.

Previous Response for Finding

Management agrees with the finding and recommendation put forth by the auditors.

The misstatements and corrections were due to two conditions: the systemic issue involving the newly implemented PO System and the improper recording record of certain expenses as construction-in-progress.

During the fiscal year, a new purchase ordering system was implemented that was to seamlessly integrate into our newly implemented general ledger package. A number of occasions were noted where expenses and liabilities were created at the point of PO creation rather than at the point when the goods or services were received. We are working with a third-party consultant to correct this issue and will prepare the necessary adjusting entries to reverse the expense. We will have this condition corrected by June 30, 2024.

Our auditors prepare an adjusting entry at year end to reclassify the construction items in accounts payable as construction payable for HUD reporting purposes. When the invoices were paid during the audit year, the invoices were either processed against accounts payable instead of the construction payable account or expensed in the current period. To prevent this from occurring again, we will implement a procedure whereby the construction payable entry is reversed at the beginning of the year and reevaluated at the end of the year when the auditors begin their fieldwork. We will also increase the frequency whereby we will review the invoices associated with capital projects to ensure they are classified as construction in progress when processed. We will have this condition corrected by June 30, 2024.

Current Status

New systems and processes that were put in place during the year ended June 30, 2024, reducing the need for numerous material adjustments to be proposed and recorded.

Finding No. 2023-2; Sections 207/223(f), Assistance Listing 14.155 Section 8, Assistance Listing 14.856

Condition

The accounting records required numerous adjustments to properly record cash receipts from tenant rent payments.

Previous Response for Finding

Management agrees with the finding and recommendation put forth by the auditors.

The condition noted was due to the improper set up of the general ledger system in which automatic journal entries were generated that incorrectly posted cash receipts as deferred income creating difficulty in reconciling tenant receivable balances. We are collaborating with a third-party consultant to correct this issue and will have this condition corrected by June 30, 2024.

**Israel Senior Citizens HDFC
HUD Project No.: 012-SH015 and 012-SH018**

**Summary Schedule of Prior Audit Findings
June 30, 2024**

Current Status

New systems and processes that were put in place during the year ended June 30, 2024, to eliminate the need to make cash receipts from tenant rent payments.
